House Memorandum

To Dave Keller Date Dec. 7, 1972
From Larry Riley
Subject Special Ordinance for the Communications Department

COPIES TO:

The ordinance which amends Special Ordinance No. S-61-72 should include the following three sections: 1. creation of the position of lieutenancy in the Communications Department; 2. statement of the salary for this position as \$9,836.00 per annum; and 3. appropriation of sufficient funds for this position.

There are several reasons for this Special Ordinance. One is the fact that the size and population of Fort Wayne as well as the number of police patrol units in the city and the amount of crime in the city are all increasing. Secondly, the Communications Department will handle approximately one quarter million police incident dispatches during 1973 with approximately 3600 fire dispatches. This department is estimated to handle one and one half million incoming calls in 1973 and will be responsible for dispatching equipment and personnel required to meet emergencies. The work of this department is particularly sensitive in so far as a mistake on the part of the dispatcher, or any delay on the part of the dispatcher, may directly lead to death, injury, or property damage. There is a need for exact, strict disciplinarytype leadership in this environment. There now exist on each of three shifts two command positions of equality having the rank of Sergeant (two are needed to assure the presence of one at all times, taking into consideration days off, sick leave, vacation, etc.). However, this equality of rank ~~has~~^{is} and will continue to be a constant troublesome practice, producing conflicts of authority, leading to an unacceptable chain of command.

DIGEST SHEETTITLE OF ORDINANCE #3007DEPARTMENT REQUESTING ORDINANCE COMMUNICATIONS DEPARTMENT

SYNOPSIS OF ORDINANCE Establish the rank of Lieutenant in the
Communications Department of the City of Fort Wayne, and affixing
a salary of \$9836.00 per year.

This is needed to eliminate present undesirable configuration
of two Sergeants of equal authority in charge of each shift.

EFFECT OF PASSAGE Provide needed chain of command on
individual shift operation.

EFFECT OF NON-PASSAGE Undesireable dual equal authority command
on each shift, creates impossible chain of command configuration
and many morale problems stemming from conflict of authority.

MONEY INVOLVED (Direct Costs, Expenditures, Savings)
\$126.00 per year, per man over and above present Sergeants
salary. (Three positions involved, Total \$378)

ASSIGNED TO COMMITTEE (J.N.)
